

Current Committee Membership

Institute Council on Belonging, Achievement, and Composition

With the announcement of the Institute-wide Strategic Action Plan for Belonging, Achievement and Composition, the former Committee on Race and Diversity will pivot to directly support the plan and assess the Institute's progress. Newly renamed the Institute Council on Belonging, Achievement, and Composition, the committee will work with the Institute Community and Equity Officer to review relevant data regarding the progress of the Strategic Action Plan, School/College and administrative department action plans, and annual reports from the owners of proposed plan actions.
